

## OUR COMMITMENT TO COMPLY WITH ALL FEDERAL AND STATE LAWS AND REGULATORY REQUIREMENTS

Trillium Health, Inc., its managers and affiliates are committed in their efforts to ensure that all Federal and State health care program requirements are fully met. Should employees, patients, their families or other persons have questions or concerns regarding their bills, the care provided or any other compliance issue, we encourage you to contact the Compliance Officer or another manager at the office immediately. We will endeavor to maintain the confidentiality of any report or concern raised. Furthermore, concerns and issues will not result in retribution or retaliation.

### HOTLINE & CONTACT INFORMATION
